

**COLLEGE OF REAL ESTATE KNOWLEDGE**  
Members of the local planning committee for the one-day "College of Real Estate Knowledge" are pictured above. In cap and gown is Edmund F. Shaheen of Compton, representing CREA. Others in the picture are: (l-r) William H. Ritter, vice-president of the 21st District, Harry B. Bowker, vice-president, and Perry L. Connett, membership chairman, of the Torrance-Lomita Board of Realtors.

**Polio Shots Offered At Narbonne Hi**

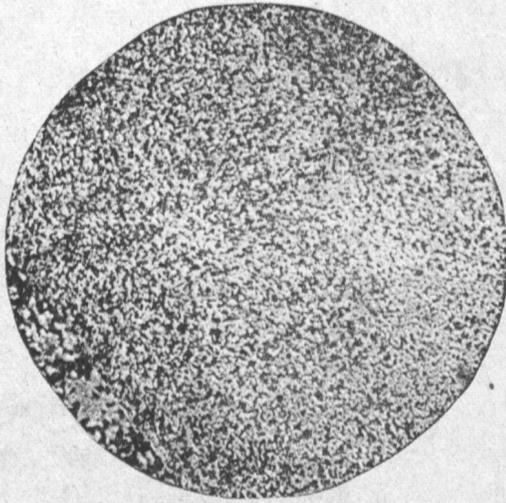

Polio inoculation for Narbonne Junior and Senior High students and employees will be given April 2 and April 30. Both shots are free, the only requirement for a shot being a signed parent authorization form. These forms were issued March 18 and must be returned no later than March 22. However, all three must be shot; however, the first shot is merely a beginning of the immunization, the second shot which is given four weeks later, strengthens a person's resistance to the disease. The probability of contracting polio decreases with each shot, however, all three must be given before the treatment is complete. The third shot is not given in schools, but must be administered by the family doctor seven to nine months later.

**Realtors Plan Day Conference**

Members of the Torrance-Lomita Board of Realtors recently met with John E. Boydston of Bakersfield, chairman of the educational sub-committee on sales conferences of the California Real Estate Assn., and completed plans for an all-day sales conference to be held at Torrance Civic Auditorium on March 25 under the sponsorship of the Torrance-Lomita Board of Realtors and the California Real Estate Assn. It was announced by Roy A. Shaw, president of the board. Realtors from this and neighboring communities will learn at the conference the latest proven methods of selling real estate, and also will receive up-to-date information on the many subjects necessary for capably serving the public in the purchase and sale of real estate. Nationally prominent realtors are on the faculty of the conference which will feature separate seminars for salesmen and sales managers.
